# FOREWORD FROM THE EDITOR

Roalh Anthony Aarons

The FALCON is the annual publication of the graduating class of Saint Augustine's College. Its purpose is to document those faces, activities and organizations that constituted the college environment during the school year. With this historical aim in mind, the Senior Class presents the 1964 FALCON.

To the administration, we extend our humble appreciation for steering the institution up the road toward academic excellence. To the faculty, we vow our gratitude for opening our minds and inserting those elements of knowledge that will be recalled as we qualify for entrance into our chosen professions. And, to our Alma Mater, we pledge our eternal dedication, wholehearted support and progressive intentions of carrying out your Christian values and ideals.

We leave you, Dear Saint Augustine's College, fully prepared to "QUALIFY AND APPLY" earnestly and enthusiastically for those graduate schools, positions of employment and leadership within our communities and nation.

DEDICATION

## DEDICATION

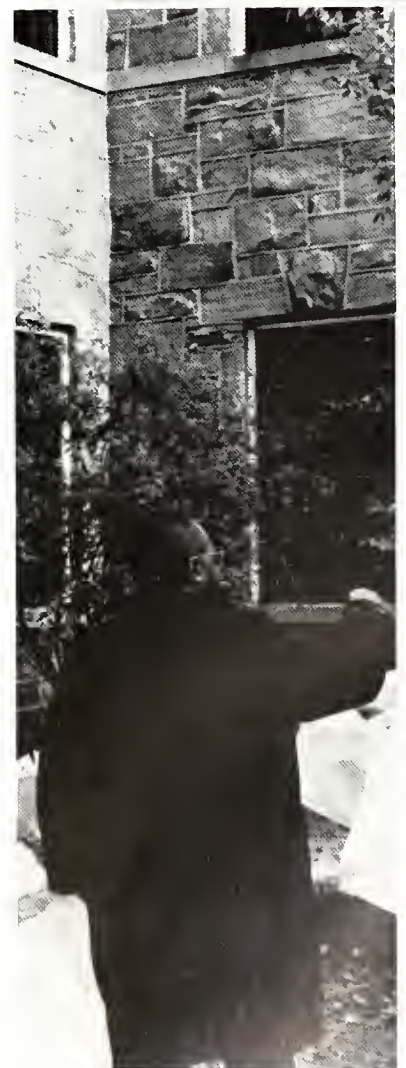

TO

WILEY M. DAVIS, DEAN OF STUDENTS

It is only proper that we, the class of 1964 should dedicate the annual FALCON yearbook to a person who has been associated with Saint Augustine's College, not only as a student, but as a guiding light to all students. We speak of Wiley M. Davis.

As Dean of Students, you are a man of patience, tolerance and understanding. Through these qualities, you have assisted many students in their problems and needs.

You have sent many students on the road to success through your suggestions, personal example and inspiration. You have sacrificed your leisure time to assist students in whatever capacity needed. By and large, you are a true personal friend, not only to the graduating class, but to the entire student body. It is with this appreciation in mind that we extend our thanks through this dedication.

# OUR PRESIDENT SPEAKS . . .

Dr. James A. Boyer

Saint Augustine's College  
Raleigh, North Carolina

OFFICE OF THE PRESIDENT

TO: Members of the Class of 1964

Paradoxically, you now draw near the end of a four-year journey and you anticipate suspensefully that climatic day known as "Commencement." Thus, as you complete your undergraduate program of study, you commence or begin a new course known as "life." In the school of life, there will be times when the matter of pursuing one's objectives will seem the same as negotiating an obstacle course. New responsibilities must be assumed, periodic obligations must be met, and a wholesome way of life must be cultivated and nurtured.

The events of the current school year, local, national and international, have tested our faith to the utmost. Through such events involving others and ourselves, we must learn to live as we have been taught in an atmosphere of Christian higher education at Saint Augustine's.

Always remember that while at this College, a part of you has become a part of this institution and a part of Saint Augustine's has become a part of you. Therefore, you and your Alma Mater will be inseparably joined through the years. Let this close kinship motivate you to the heights of loyalty to, as well as love and realistic concern for, your Alma Mater.

  
James A. Boyer, President

TO THE MEMBERS  
OF  
THE CLASS  
OF  
1964

Dr. Prezell R. Robinson

The 1964 "Falcon" will be for those who receive it a precious record, reminder and source of information.

As a record, this book will carry valuable information which you will turn to many times during the years ahead. You will frequently look at names, faces and organizations when you are attempting to identify individuals and events.

As graduates and alumni, you have a definite responsibility to your Alma Mater. People will know the college through you. Whether they know it for the better or for the worst, will depend upon how well you make your own contribution to society. You must let your influence be constructive and your objectives honorable and praiseworthy. You must learn to distinguish between thinking straight and honestly, and thinking only about yourself; the latter is dangerous and almost without exception, results in selfish thinking.

You are inevitably and eternally a part of Saint Augustine's. Be loyal to your institution. Bear in mind that it cannot become any stronger than you will make it. It is hoped that you will not soon forget it. When the strength of its blessings has enabled you to contribute financially to its continued forward march, it is expected that you will do so willingly and cheerfully.

Best wishes for the years ahead.

# CLASS HISTORY

In years, many mountains may crumble, and hills may fall but memories linger on. And who here at Saint Augustine's College does not have memories?

Remember us? We were the green, unorientated freshmen who came to the "Aug." The "Aug" who stretched out her beautiful, wide, and wonderful wings; and took us into her arms as a mother takes her first born. For Saint Augustine's College was a mother to us, cloaked in her royal blue and white . . . the very symbol of the family.

Yes, it was a mild September, that September of 1960. The winds were blowing lightly, scattering the fallen leaves all over the campus. And we, as frightened freshmen, had gathered nervously to whisper phrases about a successful four years. Orientation Week saw us making friends, obsequiously taking back our "Superiors" meal trays, and scurrying to take various placement examinations. But as the excitement of this week ended, we were caught up in the rigorous program of study.

The initial year of the Class of '64, also marked the coming of the honor society — "Who's Who in American Universities and Colleges," whose membership is based upon outstanding character, leadership, and scholarship. During this first year at the college, we became familiar with such planned activities as the lyceum program, weekly assembly programs and chapel worship. We are sure that none of us will forget the wonder and inspiration we received during Religious Emphasis Week.

Our sophomore year found some of us still rather frivolous, but yet earnest in our study. This was the year that was highlighted by "Crossing the Burning Sands" into the various fraternities and sororities — oh what excitement that was!

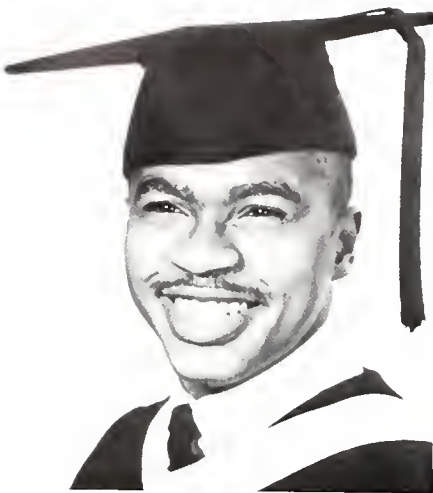

Then came our junior year, and students still poured in from north and south, east and west, adding to this enthusiastic class of '64. This is the year that we witnessed the induction of certain diligent students into the various honor societies which include, Alpha Kappa Mu; Beta Kappa Chi; Phi Kappa Alpha and Sigma Rho Sigma.

Now our four years here at Saint Augustine's College draw to a close, and we, as seniors, reminisce over the times when we laughed heartily and cheered long whenever our teams brought a victory home. We also remember with sadness, how some of us grieved or cried as we saw our class dwindle in number as some of our classmates fell by the wayside.

Indeed, our venture is over; but as neophytes in our respective careers, we will shortly learn that it is just beginning. Although we are scattered as leaves on a windy day, we are yet from the same tree — a tree of cultivated maturity and intellect, planted on the campus of Saint Augustine's College.

"THE BLUE AND WHITE"

Alma Mater

The dark hue of the violet  
The snow white lily's bloom,  
Are emblems of the virtues rare  
That seal all failure's doom;  
That give us courage ever  
To dare to do the right:  
For Alma Mater dear they stand,  
All hail the Blue and White.

All through the days we spend at school  
Midst scene we hold so dear,  
Where friendships made are ne'er forgot,  
Where always there's good cheer;  
While for enchanting knowledge  
Or charming laurels bright  
We strive our best, we ne'er forget  
'Tis for the Blue and White.

Where'er relentless duty calls  
O'er life's tempest'ous seas  
We'll go, and loyally we'll bide  
What weal or woe decrees;  
Yes, loyal to the colors  
That stands for "Right is Might"  
Our country's flag the Stars and Stripes  
And ours, the Blue and White.

O sing a song of love and praise  
From loyal hearts and pure,  
For her our Alma Mater dear  
And for her ideals true:  
For ninety years she's triumphed,  
As upward in her flight  
She's climbed to be a beacon light —  
Her banner Blue and White.

Words and Music by Wm. Augustine Perry,

Delta Sigma Theta Sorority was founded in 1913 on the campus of Howard University as an organization whose aims would be something more serious than social activity. This sorority was established by twenty-two college women who visualized the development of a union of college women based on certain cardinal principles and pledged to uphold certain lofty ideals.

The members of Gamma Rho Chapter like all other Deltas have for their ultimate goal public service. This service is carried out under the National Project known as Public Service Projects.

The Sigma Gamma Rho Sorority was founded in 1922 at Butler University, Indianapolis, Indiana. It is the sorority with emphasis on the development of finer character, womanhood, scholarship and leadership. To implement its aims, the Sigma Gamma Rho Sorority has undertaken many projects, such as the Leadership Training Program and Teen-Town, supervised by superbly qualified persons.

The purpose of this sorority for women is expressed in its slogan, "Greater Service, Greater Progress." The Sigma Gamma Rho Sorority, because of its high ideals and achievements, has gained recognition: not only on the national scene, but also on the international level.

The Zeta Phi Beta Sorority was founded on the campus of Howard University, January 16, 1920. It was suggested to Arizona Cleaver by Charles Robert Samuel Taylor, a member of Phi Beta Sigma Fraternity, that she establish a sister organization. This has become a national organization of college women bonded together under a common bond of friendship and cultural effort seeking to establish the true worth of womanhood through excellence in educational achievement, human service and patriotic citizenship.

Phi Beta Sigma Fraternity, Inc. was founded January 9, 1914 on the campus of Howard University, Washington, D.C. The motto of the fraternity is "Culture for Service and Service to Humanity." For the men of Sigma, this is more than a motto; it is a personal mode of living, in that all activities are undertaken with the idea of rendering service.

The three great ideals of Phi Beta Sigma are embodied in the philosophy — "Brotherhood, Scholarship, and Service." The realization of these ideals in their highest practical meaning has made and must continue to make Phi Beta Sigma a great and dynamic fraternity.
